

ONE ISLAND GIVING DAY

ABOUT

One Island Giving Day (oneislandgiving.org) is a one-day virtual event that aims to raise over \$1 million dollars for local, Long Island-based nonprofits to help create a stronger Long Island for ALL Long Islanders. Local organizations, businesses, and community groups are coming together to challenge anyone and everyone who loves Long Island to unite and give to the local nonprofit or cause they care about most. By tapping the generous spirit of Long Islanders, we will not only raise awareness and resources for local needs, but will ensure the well-being of our people, communities, and lands.

Contributions for One Island Giving Day must be made through a single online giving platform on (or before) October 26, 2017. The campaign is coordinated by The Hagedorn Foundation in partnership with area nonprofits.
