

**ALL FOR THE EAST END (AFTEE) FUND
2016 GRANTS TOTALING \$50,000**

The **All For The East End Fund** is a field-of-interest fund established within the Long Island Community Foundation (LICF) in 2013 by All For The East End (AFTEE), which is an independent 501(C)(3) organization whose mission is to raise funds and awareness for East End needs. Grants through this program support nonprofit organizations serving Long Island's East End communities of Riverhead, Shelter Island, Southampton, Southold, and East

Hampton. An advisory committee consisting of one representative from each of the five East End towns help guide LICF in determining the projects to be funded.

Below are the details of each \$2,500 grant in 2016, listed by town:

East Hampton

- Amagansett Food Institute – to assist local farms understand and plan for implementation of new Food and Drug Administration regulations.
- Eleanor Whitmore Early Childhood Center – for a series of workshops to help parents, teachers, and administrators better assist children 18 months to 4 years in their development and school readiness.
- I-tri: Inspirational Triathlon Racing International – to strengthen the emotional and physical wellbeing of middle school girls on the East End of Long Island.
- Project MOST – to launch a college preparation, financial planning, and career exploration program for youth that serve as group leaders in the organization's after school program.
- YMCA East Hampton RECenter – for a mentoring program to teach entrepreneurship skills to teens.

Riverhead

- East End Disability Associates - for acting classes for people with intellectual and developmental disabilities.
- Every Child Matters Fund – for a series of training workshops to help parents gain the skills to advocate for public policies and investments that affect their children.
- Hallockville Museum Farm - to provide ten summer camp scholarships to children from families within Riverhead's Latino community.
- North Fork Spanish Apostolate – for a training program to help immigrant parents better understand how to assist their children to improve educational outcomes.
- Open Arms Care Center - to replenish the emergency food pantry stock.

Shelter Island

- Shelter Island Historical Society – for costs associated with the design and installation of exhibit space.
- Shelter Island Public Library Society – to launch an intergenerational discussion program on world affairs in partnership with Shelter Island High School.

Southampton

- Children's Museum of the East End – to teach nutrition and healthy eating habits to children on the Shinnecock Reservation, in partnership with the Wuneechanunk Preschool.
- Family Service League – to expand a mental health support group for teens and young adults to Southampton.
